

A day in the life of a Conscientious Objector

Think about what it must have been like
to work as a conscientious objector
working at Llyn y Fan.

You could write about.....

- The long hours you have to work
- How difficult the work is
- How you are treated
- Accidents on the site
- How the weather is at the top of the mountain
- The other conscientious objectors you work with and their reasons for objection.

Use these words in your account:
